DIGEST SHEET

J 73-1108

TITLE OF ORDINANCE An Ordinance Approving a Certain Bid and Authorizing . . .DEPARTMENT REQUESTING ORDINANCE Fort Wayne Fire DepartmentSYNOPSIS OF ORDINANCE Ordinance will permit acquisition by the City via
the Fort Wayne Fire Department of a 1/2-ton pickup truck to be used by the

Weights & Measures Department in the conduction of that department's in-
spections pursuant to legal requirements of Indiana. Since the vehicle is
used in transporting a large, 100-gallon gasoline prover and twenty 50-pound
weights (total weight 1,000 pounds unloaded, 1,900 pounds loaded), a smaller
vehicle cannot be utilized. This vehicle will replace a 1951 International
Harvester 1-1/2 flatbed stake truck, which is totally inoperative at present.

EFFECT OF PASSAGE The inspection of measurement devices on fuel oil and bulk
storage meter (tank) vehicles will be able to continue, and the addition of a
usable vehicle to the department will permit continuous productivity from all
inspectors within the department.EFFECT OF NON-PASSAGE Mandatory twice-annual inspections of the
above-mentioned devices cannot be made, and could easily allow inaccurate amounts
of gasoline and fuel oil to be measured and sold to consumers unlawfully.MONEY INVOLVED (Direct Costs, Expenditures, Savings) \$2,859 direct ex-
penditure by the Fire Department, vehicle to be titled to the Department of
Public Safety, and used by the Department of Weights & Measures.ASSIGNED TO COMMITTEE (J.N.) Fair WCU
